Re: Closed Amenities

Dear Residents,

Broward County has now issued an emergency order 20-05 to close all commercial or noncommercial recreational facilities i.e. pools, pool decks, party rooms, hot tubs, tennis courts etc. Therefore, please be advised that the **pools, recreation and sauna rooms in each Cluster will be closed** until further notice in accordance with the CDC's Coronavirus (COVID-19) recommendation that people practice social distancing by staying at least 6 feet away from each other and avoiding gatherings with more than 10 people.

Sincerely,

Management Office
